World Book Day

Yesterday, we celebrated World Book Day. As part of the celebration, the children dressed up as their favourite characters, read with children from other year groups, completed various reading activities and quizzes, and were visited by the author Sharika Chauhan, who read the children one of her stories in assembly and conducted a Q&A session.

Daily reading at home is essential in ensuring that all children thrive in school!

Year 5 visit Deen City Farm

Year 5 have been learning about 'Living Things and Their Habitats' in Science. To consolidate this learning, they went on a trip to Deen City Farm to visit and learn more about birds and different mammals. They were given a chance to pet and feed lots of different animals and following this they took part in a nature trail where they found many different amphibians and insects!

Golden Time

Golden Time is an important part of our behaviour and self-regulation systems. The children have to earn their Golden Time by not losing minutes for making poor choices. Here, a group of children are enjoying playing the card game Uno, which is one of the Golden Time activities on offer.
