Online safety information

Keeping children safe when online is arguably the biggest safeguarding concern at Keyworth. The School needs parents/carers to regularly check their child/ren's devices to ensure children are accessing appropriate material when online and report to the School any concerns that you may have related to Keyworth children.

Attached to this week's newsletter is an online safety presentation by Internet Matters which is aimed at parents/carers.

**Educating ourselves is key in ensuring that all
Keyworth children are safe when online.**

Year 2 London Zoo visit

As their current unit in Science is Animals Including Humans, the year 2 children went on a trip this week to ZSL London Zoo to support their learning. They saw lots of amazing animals, discussed what they eat, where they live, and what they need to survive.

Year 4 Brockwell Park visit

Year 4 had a great time visiting Brockwell Park Community Greenhouses. They found out about all the fruits that we can grow in London. They explored the beautiful orchard and herb garden and even made their own rosemary salt to put on their chips this weekend!

Keyworth Friends' Magic Show

What an amazing magic show we had this week, full of fun, laughter and... magic!

A special well done goes to Jaime who was chopped in half and then put back together again!

Thank you to everyone who volunteered and supported the event!

Year 5 William Morris Gallery visit

Last week, Year 5 travelled to the William Morris Gallery ahead of next term's 'Victorians' topic to learn about the life and work of the Victorian artist, William Morris. They were given a tour of the gallery and were shocked to find out the gallery was his home. They also took part in a printing workshop where they were able to create their own William Morris inspired art pieces.

Word of the Week

This week's *Word of the Week* is **tolerant**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g. **tolerance/tolerating**. Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:

Previous words	accompanying, variety, frequent, sincere, appreciating

I would like to wish you and your family a wonderful weekend!
