

# Nursery Newsletter Autumn 1

## Physical Development

In Physical Development, we will be learning to develop both our fine and gross motor skills.

- Head to a park with a grown-up and find opportunities to climb, balance and move around and over obstacles.
- Draw a picture of everyone in your family. Can you add their clothes and hair in the right colours? If you have any pets, you could include these too.

## Communication & Language

### Books to read at home

- What Makes Me Me
- So Much
- The Leaf Thief

### Key words

- Family
- Friends
- Body
- Hair
- Ears

This newsletter will provide you with information about the learning that will be taking place in Nursery this half-term. It will also give you ideas about activities you can do at home to support your child's learning.

## Personal, Social and Emotional Development

This half-term in Personal, Social and Emotional Development we will be talking about our families

- Draw a picture that shows all of the people who are special to you.
- Use some paint to make handprints of everyone's hands in your family and then cut out the handprints. If you haven't got any paint, you could draw around hands instead!

## Phonics - Environmental Sounds

Go on a listening walk. You could go around your house or an outside area with an adult and practise listening carefully to all the different sounds you hear.

## Our topic this half-term - All About Me

- Talk to your child about what the activities they enjoy at school. Can your child tell what their favourite activity is and why?
- Can your child draw a picture of something that makes them happy? Encourage your child to use vocabulary to describe and talk about why they like it.

## Reading

Remember to read each day with your child and don't forget to sign their yellow diary.
