

All About Me

CLASS 1AJ and 1HE

DATE SET: 11.09.2023

DATE DUE: 20.10.2023

We do not send out weekly maths homework but we encourage you to use Mathletics at home. All children should have their Mathletics login by now. Please let your child's class teacher know if you're not sure.

Practice reading and writing numbers to 10 ensuring that the numbers are written in the correct orientation. This term we are beginning with 'Place Value' through number recognition and representing numbers in various ways with different objects. Why not do some baking at home, count how many seconds your child can brush their teeth for, how many jumps they can do in 30 seconds, count and name coins, look at door and bus numbers and other numbers in our everyday environment to further reinforce these mathematical skills and knowledge?

Dear children and adults,

Our history/geography topic this term is 'All About Me' where we will be looking at what makes us unique and wonderful, our likes and dislikes and how we are similar and different to each other. We are reading the Colour Monster by Anna Llenas and book 'Here We Are' by Oliver Jeffers. We will discuss our local environment along with natural and manmade objects. We will also discuss our place in the world around us using 'Here We Are' as a guide.

READING

Remember to read each day and get an adult to sign your reading book.

HIGH FREQUENCY WORDS

Keep practicing these with your child and when they know a page confidently, move onto the next page. Once they can read them, it's time to start spelling them! Don't forget that once they can read them all they will get a prize from the prize box.

WRITING AND HISTORY/GEOGRAPHY

Over the next few weeks please complete some of these activities or make some up of your own. Once you have completed them, upload them to Google Classroom to share with your class.

COMPLETE AT LEAST ONE OF THE WRITING TASKS:

1. Make a list of things you would take to school in the past
2. Make a poster about technology from the past
3. Write a sentence about one of your first experiences
4. Find out about how school was different for your adult(s) at home

NOW CHOOSE SOME OR ALL OF THESE:

1. Create a painting/drawing of your family
2. Create a collage of your favourite memories
3. Create a painting/drawing/model of the London skyline in the past
4. Make a model of your local area - is there a park? A station? Shops?

Topic Words

Do you know what these words mean and how to spell them?

Past

Present

Yesterday

Tomorrow

Young

Old

Age

Then

Now

CHALLENGE: Design a new park/area for your local area. What would you like to see?

Think about all of the changes to the world that we have learned about this term. Things are still changing all around us! Can you make a poster designing something you think is missing from your local area?

Places you could visit

- Museum of London
- Cuming Museum
- The British Museum
- The Cinema Museum
