

Year Six Newsletter

Autumn 2
Friday 4th November 2022

Welcome everybody, from Year 6!

Hello and welcome to our second term of the year. The year six team are excited to continue working with your children to continue making this a great year!

Learning Content

Our topic this half term is the Ancient Maya - an extremely interesting theme that gives us many opportunities for learning across the curriculum.

English

Fiction: The Arrival

Non-fiction:

Non-Chronological report
(Mayans)

Maths

fractions, decimals and percentages; ratio and proportion; and mixed problems with a real-life context.

Science

Living things and their Habitats

RE

Christianity

PSHE

Relationships

Computing

Computing Systems and Networks

Languages

Spanish

Upcoming Trips

Into University - a week of engaging and educational workshops, put together by Into University. Incorporating our half-termly topic, The Ancient Maya. The children are given the opportunity to experience life as a university student: studying like one; researching and investigating like one and graduating like one. The children's graduation will take place at the end of the week, with a visit to King's College University, where the children present their work and experience a graduation ceremony.

PE

PE takes place Monday and Wednesday. All children must bring their PE kits on the designated days.

Homework

Do not forget to keep on checking Google classroom as well as Mathematics for weekly and daily homework.

Topic Homework - The children have a selection of activities to complete over the course of the half term, ending in an exhibition of their work.

Reading - Each day the children are expected to read from their chapter books. The children will also begin to receive short maths and grammar activities and challenges.
