Summer 2 Term - Further Information

Reading - Make sure child is reading for **20 minutes each day** and that they're able to answer lots of questions about their reading book!

Spellings - Each week the children will take home their spellings to practice for their weekly spelling test. The spelling words reflect those given on the Year 2 National Curriculum so it is extremely important that children practice these and that they are confident of how they are spelt.

Handwriting - Please ensure children are forming letters correctly in their letter families:

*f, g, j, p, q, y

*a, c, e, i, n, m, o, r, s, u, v, w, x, z

*b, d, h, k, l, t

Maths - Children need to be able to **quickly recall multiplication and division facts for the 2, 3, 5 and 10 multiplication tables**, including recognising odd and even numbers. They need to know that division is the inverse of multiplication (e.g. $4 \times 5 = 20$ and $20 \div 5 = 4$) and be fluent with these fact families (see image). Please practice these at home as we will test children on these facts regularly in school.
